

Argentina lithium battery energy storage battery manufacturer

Overview

Argentina Lithium & Energy Corp is focused on acquiring high quality lithium projects in Argentina and advancing them towards production in order to meet the growing global demand from the battery sector. A multi-phase growth opportunity integrating conventional and emerging technologies from multiple projects to become one of the latest lithium projects globally. Unionbat, an Argentine company with a long history in battery manufacturing, has recently begun producing batteries for renewable energy storage. Líder argentino en fabricación de baterías de arranque de motores a combustión interna. Another plant, five times bigger, will kick off in Santiago del Estero in 2024. “We want to position ourselves as region leaders in lithium.
