

# Brazilian energy storage cabinet production plant

## High Voltage Solar Battery

## Overview

---

The new plant will increase WEG's BESS production capacity to up to 2 GWh per year, equivalent to 400 units of 5 MWh systems. Construction is expected to be completed in the second half of 2027. The company aims to serve both the large-scale storage market and the commercial and industrial (C&I) segment. " The Brazilian National Bank for Economic. A Multinational SolaX Power has just brought the ESS-TRENE energy storage cabinet to the Brazilian market. You know what they say—it's like building a sports car and forgetting the roads. With abundant sunlight, ambitious climate goals, and a hunger for grid stability, Brazil's renewable energy sector is dancing to a new rhythm.

## Brazilian energy storage cabinet production plant
