

Can people live in Japanese lockers

Overview

Delivery lockers are shared facilities. You must not occupy a locker for an extended period of time, nor use it as personal storage after removing your package. Lockers are intended only for temporary holding of delivered items, and most buildings set a maximum storage period. Adjusting to life in a Japanese apartment?

Mastering local etiquette is key to a hassle-free experience! Understanding these essential rules will help you settle in smoothly and avoid cultural misunderstandings, as well as accidental violation of your rental agreement. Learn how to navigate. Introduction to Housing in Japan In Japan, the housing market presents unique challenges and rules that are often unfamiliar to foreign residents. Understanding these regulations is crucial for those planning to live in Japan, whether for short-term or long-term stays. By Misty Fujii 5 min read Let's be real—life in Japan often means cramming everything you own into what feels like a generously sized closet or hotel.
