

Delivery time for high-pressure type outdoor telecom cabinets

Overview

Our professional Sales staff and CAD-Engineering team are ready to collaborate on state-of-the-art designs, ensuring competitive pricing and guaranteed delivery. Note: Front and rear sets of rails allow select equipment to rack in both directions, potentially doubling the racking. When your network infrastructure demands reliable outdoor protection, American Products delivers weatherproof telecom enclosures engineered for performance and built to last. Constructed from high-strength galvanized steel and rated IP55, it offers reliable protection in harsh environments. The cabinet features a standard 19-inch. Westell is a collaborative partner in OSP deployment optimization providing customized, fully integrated, vendor neutral outdoor network equipment enclosures. Designed to protect your equipment from rain, dust, and extreme temperatures, our waterproof and customizable solutions ensure reliability in any environment. [Learn more!
