

# Duan rooftop photovoltaic panel manufacturer

## Overview

---

The project adopts Trinasolar's Vertex N 700W series modules, with an average annual power generation capacity of up to 133 million kilowatt-hours, which continuously injects "green energy" into the beautiful scenery of the southern country. DAH Solar leads PV innovation with patented Full-Screen Modules, SolarUnit systems, and full-process production for high-performance green energy solutions. With innovation-driven development as its most important strategy and core driving force, Trinasolar has put in place a comprehensive and leading science and innovation system. Collaborating long-term with over 30 leading universities and research institutes in more than 10 countries to advance. Welcome to Luan Solar, as a leading Chinese solar panel manufacturer, we are committed to providing efficient photovoltaic solutions to the world. Since its establishment 15 years ago, Luan Solar has grown into a leader in the industry with a comprehensive production capacity of 7GW, including 4GW. As one of leading solar panel suppliers in China, the Sunrise module solar products currently mainly include the development, production installation, and sales of sunrise pv modules, as well as the construction management, technology development and operation, and maintenance of photovoltaic power.
