

# FuLe Solar Power Generation Scam

## Overview

---

In this type of scam, fraudsters lure homeowners by offering "free" solar panels, claiming that government programs or grants will cover the entire cost of installation. Find a network of trusted installers for solar system, solar panels and electricity needs. Find a solar panel installer today! Whether it's door-to-door or online, a forceful salesperson might inform you that a certain deal, like a financing rate or an incentive program, will only remain available. We'll walk you through the most common solar scams, the red flags that should make you pump the brakes, and how to find installers you can actually trust. Disclaimer: This article is intended to provide an informational overview of consumer protections for interested homeowners.
