

Guangyijing PV panel manufacturer

Overview

A subsidiary of LONGi Group, it reigns supreme as the world's premier manufacturer of mono-crystalline silicon wafers. With a workforce of 60,000 and an astounding brand valuation of over 84 billion dollars, they're an undeniable powerhouse. Yet, their impact doesn't stop at sheer. Solar panel manufacturers in China continue to play an important role in boosting the country's solar energy generation. In 2024, China accounted for about 57% of new global solar and wind additions, which is double the amount of renewable energy generated compared to regions like the US, Europe. Jiangyin Guangye PV-Tech Co. Our company is located in Jiangyin City, Jiangsu Province, China. We are a High-Tech enterprise integrating Design, Manufacture and Sale. We actively introduces advanced equipment at home and abroad constantly develops new technologies, and launches high-quality photovoltaic. As one of leading solar panel suppliers in China, the Sunrise module solar products currently mainly include the development, production installation, and sales of sunrise pv modules, as well as the construction management, technology development and operation, and maintenance of photovoltaic power.
