

Iq intelligent uninterruptible power supply

Overview

The intelligent QUINT UPS for integration into established industrial networks: your systems continue to be supplied with uninterrupted power, even in the event of a mains failure. The battery management system with IQ Technology and a powerful battery charger ensures superior system. QUINT DC UPS, IQ Technology, EtherNet/IP (Modbus/TCP), DIN rail mounting, Screw connection, input: 24 V DC, output: 24 V DC / 10 A, charging current: 3 A This product needs further products for operation. Mandatory accessories Free download available. Phoenix Contact Quint UPS-IQ offers an intelligent solution for ensuring maximum system availability. Indicates the remaining service life of the battery module.

Iq intelligent uninterruptible power supply

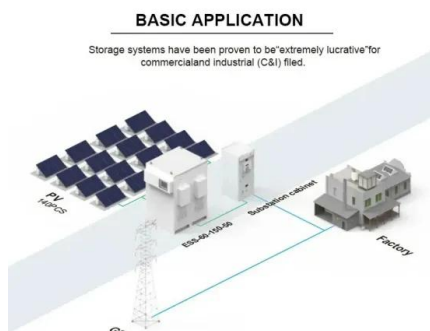

QUINT UPS-IQ

The QUINT UPS-IQ from Phoenix Contact is ideal for any situation where battery backup is needed, such as mission-critical systems that require an uninterruptible power supply.
