

Latest Price for 50kW Microgrid Outdoor Cabinet

Lithium Solar Generator: \$150

Overview

50kW/100kWh outdoor cabinet ESS solution (KAC50DP-BC100DE) is designed for small to medium size of C&I energy storage and microgrid applications. Individual pricing for large scale projects and wholesale demands is available. The battery cabinet has 2*50KWH (51.2kwh) battery outdoor. This isn't just a battery; it's a fully integrated power fortress, combining a massive 120kWh LiFePO4 battery bank, a powerful 50kW inverter, and a sophisticated thermal management system within a single, ruggedized outdoor cabinet. Equipped with a reliable Growatt inverter, it supports flexible battery options including rack-mount and stackable batteries. The outdoor cabinet is weatherproof.

Highly Integrated System: Includes power module, battery, refrigeration, fire protection, dynamic environment monitoring, and energy management in a single unit.

Flexible Expansion: The system utilizes virtual synchronous machine technology for long-distance parallel communication, enabling.

Recreen Energy offer all in one integrated industrial and commercial energy storage systems solution which are designed to provide reliable and cost-effective energy storage solutions for regional microgrids such as small CBD, farms, islands, outdoor photovoltaic power station, etc.
