

# **Maintenance and Operation Service for 120kWh Power Storage Cabinet**

## Overview

---

Power Storage Solutions offers comprehensive Contract Maintenance Services that provide proactive, ongoing care for your power systems under a structured agreement, helping you maintain optimal performance with minimal hassle. The guide is divided into three main. The 120 kW automatic switching cabinet integrates STS-based control, protection, and monitoring functions to enable safe and automatic grid-connected and off-grid operation. The NovaSource operations center provides oversights for your Battery Energy Storage Systems with 24 hour/day 365 days/year support, rapid issue detection, power dispatch/curtailment and grid support, energy/power scheduling and forecasting, and compliance. The application of the system in the power grid mainly includes the following scenarios: Peak shaving and valley filling: by charging. If playback doesn't begin shortly, try. HUA POWER is a globally leading provider of energy storage systems and microgrid integrated solutions, headquartered in Shenzhen, China.

## Maintenance and Operation Service for 120kWh Power Storage Cab
