

Malta original inverter structure manufacturer

Overview

At the forefront of the renewable energy sector in Malta, Solar Solutions was set up in 2005 by individuals with a passion for sustainability. With extensive experience gained since 2006, both in his family's wholesale business and as a consultant on diverse engineering. Discover top-quality solar inverters from AUXSOL— a leading solar PV inverter supplier offering on-grid and hybrid solar power inverters, as well as energy storage solutions. · Aside from the solar panels, solar companies have many other manufactured products that are required to make. We at Renegy Limited strive to provide the most efficient products to our customers. When it comes to inverters as in all other areas of our business we choose our equipment on the basis of continued studies on the product itself and on the supplier. We ensure that we offer high quality products. Our trained personnel will visit your premises free of charge to determine what system is perfect for you. The system will be designed, and a shading analysis will be carried out to ensure that you will make the most out of this investment. Information is checked, categorised and connected.
