

Microgrid Fund

High Voltage Solar Battery

Overview

Department of Energy (DOE) Office of Electricity today announced more than \$8 million in selections for funding to projects that accelerate microgrid innovation through the Community Microgrid Assistance Partnership (C-MAP) program. As the Trump Administration begins. In fall 2019, the National Association of Regulatory Utility Commissioners (NARUC) and the National Association of State Energy Officials (NASEO) initiated a joint Microgrids State Working Group (MSWG), funded by the U. We can help you build a more resilient, efficient and sustainable energy infrastructure by developing a microgrid system suited to your. The U. This program will fund 14 projects, reaching 35 towns and.
