

# Ordering Explosion-proof Power Cabinets for Network Server Rooms

## Overview

---

Bison Profab manufactures ATEX / IECEx Certified, explosion-proof, and intrinsically safe enclosures for use in hazardous and harsh areas. Request a quote today!. The NetShelter SX is a multi-functional rack enclosure influenced by customer feedback from around the world. These enclosures are designed to meet current IT market trends and applications ranging from high density computing and networking to broadcast and audio-video. With the most frame styles. Equipped with reversible front and back doors and removable side panels, the Minuteman Power Cabinet prioritizes security with locking mechanisms operated by included keys, guarding against potential damage, tampering, or theft. It is a standardized metal frame with mounting spaces (U spaces) for servers and other equipment, and is designed to support and protect these devices.
