

Price of IP65 external cabinet for Middle Eastern base station users

Overview

Includes: locking door with gaskets and filters, 19-inch rackmount rails, wallmount brackets or hardware. Compatibility with all EIA-310 compliant 19" equipment. The front door is grounded to the frame of the enclosure. The IP65 Rating classification represents the highest level of protection in standard outdoor enclosure designs, offering complete protection against dust ingress and resistance to low-pressure water jets from any direction. These enclosures are designed to house and safeguard electronic components from environmental factors such as dust, moisture, and physical. AZE's 15U IP65 rated Wall mount Outdoor Cabinet are designed to protect your sensitive network equipment from harsh environments, with waterproof and dustproof features to safeguard it from the elements, while still keeping the equipment secure outside. With IP55/IP65 protection, it ensures secure operation.
