

Senegal BMS lithium battery price

Overview

Recent pricing trends show standard home systems (5-10kWh) starting at \$8,000 and premium systems (15-20kWh) from \$12,000, with financing options available for homeowners. The Supersmart BMS Lithium Battery is a cutting-edge 12V battery featuring a robust 4.5AH capacity and 270 CCA, designed with a built-in protection circuit to prevent overcharging and discharging. Weighing 2 pounds and measuring 151mm x 87mm x 93mm, it's compact and lightweight, making it ideal for import. So if you want to import the best quality lithium batteries to Senegal from a trusted battery brand, then contact us to get the latest lithium battery factory prices in Senegal today. This enables 12V, 24V and 48V energy storage systems with up to 102kWh. Applications: Suitable for small network devices, telecom, and satellite equipment.
