

# South Sudan Mobile solar container outdoor power

Application scenarios of energy storage battery products

## Overview

---

SustainSolar delivered their off-grid system in a 20-foot container equipped with SMA solar and battery inverters and BYD batteries. Redefine worksite power by efficiently harnessing the sun's energy Introducing the solar powered range of Mobile solar containers and Portable solar chargers. With high solar yields this robust range of mobile solar power systems delivers alternative power solutions to temporal energy provider. Company: SustainSolar provides containerized, high-quality, durable solutions for renewable power generation and battery storage for rural and remote locations across Africa. Ideal for remote areas, emergency rescue and commercial applications. Fast deployment in all climates. Sudd Green Energy is a pioneering renewable energy company committed to transforming South Sudan's energy landscape through sustainable and innovative solutions.
