

# Swiss specialty energy storage battery company

## Swiss specialty energy storage battery company

---

### [Best Energy Storage Companies In Switzerland In 2024](#)

Switzerland is home to a number of energy storage companies that are developing innovative solutions to store energy from renewable sources. These companies are working on a range of technologies, ...

### [Top 100 Battery Storage Companies in Switzerland \(2026\) , ensun](#)

Leclanché SA is a leading manufacturer of advanced energy storage solutions, particularly in lithium-ion technology. Their expertise in customized battery systems and management software contributes to ...

### [Swissgrid and battery storage: solutions for a stable grid](#)

Large battery storage systems are like large power banks for the grid: they can balance out fluctuations between generation and consumption, trade energy on the control energy market ...

### [Advanced Battery Solutions: smart energy storage](#)

Discover our breakthroughs in battery tech, offering smart storage solutions, sensor integration, and management for enhanced energy efficiency, and performance.

### [Switzerland: EWS and MW Storage expand battery unit to 28MW](#)

The project in Ingenbohl, Switzerland. Image: EWS AG. Utility EWS AG and developer MW Storage have completed the expansion of a battery energy storage system (BESS) project in ...

### [AlphaESS Announces Strategic Partnership with Swiss Renewable Energy](#)

The company will develop, distribute and support battery storage solutions tailored to Swiss households and businesses, through approved installers and wholesale partners About ...

### [Energy Storage Suppliers In Switzerland](#)

BTRY is a start-up based in Dübendorf, Switzerland, and a spin-off of EMPA and ETH. From the lab to the market - at BTRY, we are developing the industry's first energy-dense solid-state battery made ...

## Swiss Clean Battery

Wir machen saubere Energie bezahlbar! Swiss Clean Battery AG, based in Frauenfeld, is implementing one of the first series production plants for solid-state batteries in Europe We have the ...

## [Battery Storage Solutions , Axpo](#)

As a Swiss Engineering, Procurement and Construction (EPC) specialist, we implement customised, modular battery storage solutions that increase your energy efficiency and reduce costs. ...

## Energy Storage Systems

Understand the role of energy storage systems in balancing the grid, reducing energy bills, and supporting renewable energy sources.

**Outdoor Cabinet BESS**  
50 kWh/500 kWh Battery Storage System  
Industrial and Commercial Energy Storage

- All in One**  
Integrating battery packs
- High-capacity**  
50-500kWh
- Degree of Protection**  
IP54
- Operating Temperature Range**  
-20-60°C (Derating above 50 °C)
- Intelligent Integration**  
Integrated photovoltaic storage cabinet
- Rated AC Power**  
50-100kW
- Altitude**  
3000m(>3000m derating)
