

The best solar generators currently available

Overview

To find the best solar generators, I tested medium- and large-capacity models from brands like Bluetti, Anker and Jackery. After using them for everything from charging phones and tablets to running. We chose the Bluetti Elite 200v2 as our best overall pick, but there are tons of options out there on the market to meet your needs. Thursday, February 5th We evaluate products and services based on unbiased research. Top Consumer Reviews may earn money when you click on a link. For portability, customers should look for a lightweight and compact design that's easy to transport.
